Marni Baker-Stein

KELLA KUSHAL

Marni Baker-Stein,
Chief Content Officer

has successfully completed the online, non-credit Professional Certificate

Microsoft UX Design

Gain in-demand UX design skills through this Professional Certificate. You'll become proficient in user research, information architecture, wireframing, prototyping, visual design, and accessibility considerations. Learn to apply design thinking, create user-centric solutions, and effectively communicate design ideas to stakeholders. Leverage AI as a powerful tool to enhance UX Design efficiency and creativity. Build a professional portfolio showcasing your skills and expertise, preparing you for a rewarding career in UX design. By the end of the program, you'll be equipped to design intuitive, visually appealing, and accessible user interfaces that meet the needs of diverse users.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
